Summary of the Event	<p>IEEE GRIET SB WIE AG held an event i.e group discussion on Advocacy, inclusive mindsets and tangible action are needed from all.</p> <p>Group discussions encourage in-depth comprehension of a subject and improve long-term retention. By involving people in the learning process, group discussions can also help people pay attention and keep their focus. This helps in creating positive change in our society and supports being open to learn, respecting perspectives, backgrounds. It promotes equality, inclusion, valuing diversity. Here tangible actions involve volunteering time and support to initiatives, donating money to organizations.</p> <p>In order to create real and lasting change, we all need to engage in advocacy, adopt inclusive mindsets, and take tangible action. By working together, we can build a more just and equitable society for all.</p>
