<p>Summary of the Event</p>	<p>On September 28, 2022, 45 third-year students were taken on an industrial visit along with IEI-EE to the Securities and Exchange Board of India (SEBI) Hyderabad, Telangana. The main objective of the visit was to see the institution and learn something from the resource persons of the institution and get hand knowledge of the regulator's policies. The direct interaction of the students with SEBI officers motivated the students to aspire to better careers in the future. The session started at 11:00 sharp. In the first hour, students were introduced to SEBI with its brief history, its functions, powers, evolution, and development of the Indian Securities Market with the help of a PowerPoint presentation. Then in the second hour, the effects of inflation on investments were explained and the difference between savings, loans, and investments was segmented in detail. A major explanation of various accounts that SEBI holds were given which includes a Savings Account and Trading account for investors investing in various investments like shares, Debentures, Mutual Fund, etc. Followed by the procedures and steps required to open these accounts were elucidated. They illustrated about development, classification, product label, and benefits of mutual funds. Also, elaborated on the Dos and Don'ts of investing in mutual funds. The session came to an end at 2:45 pm. Thus the session provide to be very interesting and informative. It provided the students a glimpse of the regulating authority of the security market in India, along with important information for being an aware investor.</p>
