**Summary of the Event**

GRIET IEEE PES SBC conducted an awareness program on “Cancer” for women and girls on 31st march 2023, in collaboration with CII Telangana and Apollo Hospitals and WDC by Dr.Sai Lakshmi Dayana, gyno oncologist in ECE seminar hall at 11 am. Dr.Sai Lakshmi was welcomed and honored by Mr.Vijay Rama Raju and Mr.Diwakar, senior manager of apollo hospitals gave an introduction about the speaker. Dr.Sai Lakshmi briefly addressed the details of cervix cancer and how one in eight women in India is dying because of it. She also briefed about how PCOS and hypothyroidism are affecting young women nowadays. She discussed the importance of early diagnosis of breast cancer and how to recognize it. She interacted with students and answered their questions.

And the guests present in the session felicitated the speaker. she thanked the management of GRIET and IEEE PES for the wonderful opportunity to spread an awareness about cancer.

**Expenditure (in rupees)**

Dr Sai Lakshmi Daayana graduated from Osmania medical college, Hyderabad. Following this, she pursued higher degrees in obstetrics and gynecology and gynecological oncology in the UK (MRCOG; MD - University of Manchester; Sub speciality training in gynecological oncology). She trained and worked in the UK for 18 years. Her last post was as a consultant in surgical gynecological oncology for 3 years at St James institute of oncology, Leeds, UK. Since, she moved to India in Sept 2016 and has taken up the post of consultant in surgical gynecological oncology at Apollo Institutes of cancer, Hyderabad.

Dr Daayana is a cancer surgeon and is experienced at performing open, laparoscopic, and robotic procedures for gynecological cancers (ovarian, uterine, cervix, vagina, and vulva). She is also a trained gynecologist with 20 years of experience and is an expert in dealing with menstrual problems, pelvic pain, and menopause issues. She is ardent about promoting women’s health and well-being. She has a keen interest in making women aware of cancer screening options and risk-reducing options. she is also an excellent health and well-being counselor.
